Society and Civilization Seen through Contemporary Eyes Chicago: University of Chicago Press, Probably the best collection in English, although many selections are somewhat short. Peacock points out that in some cases the conditions may be symbolized in the order in which they present themselves in the problem, by an immediate translation of ordinary into symbolical language; in others they will be involved in such a manner, that the discovery of their relation and succession and their consequent symbolical expression will present difficulties, which can only be overcome by close attention and a clear insight into the relations of the numbers and magnitudes which they involve; for such cases general rules are nearly useless, and the student must trust to the diligent and patient study and Business As Usual Is Over - The Red Capitalist of examples alone for the acquisition of those habits of mind which will guide his course in their symbolical enunciation p. Duas Personalidades.
